- Nov 6: Open registration begins
- Jan 14: Last day to register for full-semester classes

DGS Advisor Advice
"If you're a pre-engineering student, make sure to look into the one-credit project classes like ME 199 or AE 199. You’ll get into robotics and building rockets. How cool is that?" - CJ Holtermann

Still looking for a job?
Apply to work at the Spurlock Museum as an Education Assistant! The position is excellent for students interested in history, art, art history, education, or anthropology. Apply soon; the application is open until the job is filled!

Former DGS Student Advice
"Take full advantage of all the various resources on this campus to find the right major for you!" - Cherita Williamson Advertising Major
