Package Delivery
All apartment locations have a mailbox system which allows residents to receive packages from the United States Postal Service (USPS) via a secured package mailbox at each location. If you receive a package, a key to the secured box will be placed in your apartment mailbox. After obtaining the package from the mailbox, replace the key in the package box lock. It is important to retrieve these packages as quickly as possible so that the package box can be used by other members of the community. Packages delivered by other delivery companies will follow that company’s procedure. The University is not able to receive packages on behalf of any resident. Packages sent to the Family & Graduate Housing office will be returned to sender.

Locations
At Goodwin-Green, the mailboxes are located in the main lobbies of 1107 W. Green and 300 S. Goodwin. At Ashton Woods and Orchard Downs, mailboxes are grouped together with individual boxes assigned to each apartment. The bank of mailboxes also has a slot for outgoing mail. Refer to the Ashton Woods and Orchard Downs maps for mailbox locations.
