COMMUNITY AIDES
Tuesday, March 26
Community Aide Appreciation Day is a great opportunity for you to thank your CA for all the work he or she does to make our community a better place to live. CA’s lead programs, build community, post notices, report maintenance problems, help solve neighbor conflicts, and so much more! Stop by your CA’s apartment and say thanks! with a smile – or perhaps with cookies or a note.

STAFF & VOLUNTEERS
Wednesday, March 27

This day is set aside to honor those individuals who help maintain and run Orchard Downs. They include office staff, maintenance workers, graduate assistants, and building service workers. Take a moment to stop by the office today, or thank one of these people you see working in the community. They each strive to make Orchard Downs a great place for you to live!

NEIGHBORS
Thursday, March 28

Today, we encourage you to show your neighbors how much you appreciate their friendship and contributions to our neighborhood. Maybe your neighbors have been quiet, helpful, polite, or just friendly. In any case, you can show them that you appreciate their company. There are many ways you can do this, from offering to baby-sit their children to taking them to the grocery store. You could also write a nice note or even invite them over for dinner or dessert!

FAMILY HOUSING COUNCIL
Friday, March 29

The Family Housing Council does so many important things for the Orchard Downs community, and today is a great day for you to let them know you appreciate them. The Council sponsors programs like the garden plots and the sewing room. They also take care of resident concerns and requests. One way you can say thanks is by attending a Council Meeting. Residents are encouraged to attend meetings to show your council members how much you appreciate them. Meetings are on the 2nd Friday of every month at the Community Center at 5:45 p.m. Refreshments are always served.
